TEXFINITY SERVICE INTERVENTION RATES

Below the list prices for standard TEXFINITY service interventions are listed.
Ci-dessous la liste des prix des interventions TEXFINITY service sont énumérés.
Hieronder zijn de prijzen weergegeven voor standaard TEXFINITY service interventies
Debajo de la lista de precios para el servicio estándar TEXFINITY se enumeran las intervenciones.

This pricing is charged to the customer for ad hoc interventions and service and repair. On project basis, or interventions that last 3 days or more, e.g. installation of machines, the amount charged to the customer is calculated on a day price. The rate for a day price is 10 times the hour price as listed below. The technicians perform at least 10 hours per working day. For a Saturday, it is the Saturday rate, for Sunday, Sunday Rate and for a day of travel the travel rate times 10.
