This pricing is charged to the customer for ad hoc interventions and service and repair. On project basis, or interventions that last 3 days or more, e.g. installation of machines, the amount charged to the customer is calculated on a day price. The rate for a day price is 10 times the hour price as listed below. The technicians perform at least 10 hours per working day. For a Saturday, it is the Saturday rate, for Sunday, the Sunday rate and for a day of travel the travel rate times 10.
